NAPLES, BORN AND RAISED

As every pasta should, the Garofalo Signature line was born in Naples.

Here, we don't have a food culture. Food is culture, so when it comes to pasta, we give the most attention and rigour to create products that look and taste like no others.

Why do we take it so seriously? To make sure that Garofalo Signature pasta tastes as good on your plates as it would on ours, here, in Naples.

THE GAROFALO DIFFERENCE

THE DRYING PROCESS

We adjust drying time and drying temperature for each cut, to ensure consistency and quality across all our pasta.

BRONZE DYE

We use traditional bronze dies to offer our pasta traditional Neapolitan cuts and preserve the integrity of their texture.

THE FINEST RAW MATERIALS

To offer a pasta with superior aesthetic, flavor and color, Garofalo exceeds the highest standards for protein and gluten content. Only the finest semolina wheat can guarantee that.

QUALITY CONTROL

Over 25 quality checks are performed on our Signature line pastas. All standard industry controls are run twice to ensure unmatched quality.
