

Product Specification Sheet

Description: 12oz Paper Food Container

Design: Soho

Medium food containers are used for a variety of hot and cold applications, such as fruit and soups.

The double sided coated paperboard is strong enough to hold heavy liquids, and is stackable for easier transportation without spilling.

Features:

- For use with either hot or cold foods
- Coated on the inside and outside for maximum grease resistance
- Fiber used meets Sustainable Forestry Initiative® (SFI®) Chain-of-Custody certification standards
